

SENIORS

TAKE ACTION FOR A BRIGHT FUTURE

- ☞ **Design your professional resume** such that it transports you from college to corporation. Explore the Isenberg resume template and tactics outlined in [The Isenberg Resume: A How-to-Guide](#) and, remember to rely on the [Chase Career Coaches](#) to review each of your drafts prior to submission.
- ☞ Develop a **targeted list of career opportunities** to guide your post-graduate career launch. Companies and job types can always be added or removed.
- ☞ Actively engage in the **On-Campus Recruitment (OCR)** process. Participate in Employer Resume Review & Practice Interview Day events and Isenberg Career Day by applying in [UMass Handshake](#). Also, consider participating in the fall HTM Career Day and the McCormack Sport Management Career Fair.
- ☞ Apply for **job opportunities** of interest through a variety of portals. [UMass Handshake](#) offers opportunities targeted to UMass students. Additionally, consider using [Indeed.com](#), [LinkedIn Jobs](#), and various other [industry-specific job boards](#) listed on the Chase webpage.
- ☞ Uncover quality **job opportunities beyond the on-campus job posting systems**. Schedule an appointment with a [Chase Career Coach](#) to learn how to access additional job posting options.
- ☞ Become **informed about companies** with which you are interviewing. Participate in information sessions sponsored by interviewing companies. Information sessions will be posted in [UMass Handshake](#).
- ☞ Prepare for your **job interviews** - Leverage [Big Interview](#) and practice interviews with Chase Career Coaches - and/or members of your professional network to increase your confidence and success in interviews.
- ☞ Engage with **corporate representatives** at Business Innovation Hub events. Repeated contact with corporate recruiters demonstrates your determination and sincere interest in employment.
- ☞ Pay attention to **This Week at Chase** in your Sunday-evening Isenberg email to stay on top of career-related activities and job postings.
- ☞ Use our [Student Guides](#) to prepare for interviews. [Visit the Chase Career Center](#) to prepare for follow-up interviews and learn about evaluating job offers.
- ☞ Learn how to **manage multiple offers and offer response deadlines**. A [Chase Career Coach](#) can show you ways to manage these situations.

REMEMBER

Accepting a job offer is a serious commitment. Yes means yes!
Do not accept a job and then continue looking for other opportunities.
