- **Watch out for “scam interviews”** - A student is approached via LinkedIn or other social media in what appears to be a legitimate company often at the "recommendation" of a faculty member or dean known to them. The interviewer -- and sometimes multiple interviewers -- are "wowed" by the student who is promptly offered a job or internship. The student is then directed to HR where they are asked for their social security number, bank account information for direct payroll deposit, and the like.
